CEDRICK JHAN DEFERIA

Software Quality Assurance Engineer

📞 +639773883292 @ cjdeferia@gmail.com 🔗 https://www.linkedin.com/in/cjdeferia/

📍 Dumangas, Iloilo, Philippines 5006

SUMMARY

A software quality assurance engineer with over 5 years of comprehensive experience in manual and automated software testing across various domains. Knowledgeable in creating test cases, identifying and tracking defects, executing various testing techniques, designing automation frameworks and scripts, and collaborating with cross-functional teams to provide high-quality products.

EXPERIENCE

Mid QA Engineer - Automation

ZZ Connect Inc.

📅 02/2022 - Present 📍 Pasig City

- Served as a dedicated resource for MONEYME, a valued client of ZZ Connect
- Pioneered the R&D of mobile automation frameworks using Appium for Android and iOS platforms
- Oversaw QA tasks in the integration of the PayTo service to efficiently handle customer payments
- Modernized the Selenium test automation framework, leading to a 20% increase in execution efficiency compared to manual execution
- Initiated the development of consolidated tools to allow other teams to streamline their tasks

Senior Quality Assurance

Stacktrek Enterprise

📅 05/2020 - 02/2022 📍 Iloilo City

- Developed and maintained automation scripts using Cypress to optimize regression testing
- Evaluated internal testing processes and provided possible solutions to improve process flows
- Liaised with developers and the product manager to identify functional requirements
- Facilitated testing activities and defect triaging

Quality Assurance Engineer

Alsons/AWS Information Systems, Inc.

📅 11/2018 - 11/2019 📍 Makati City

- Played a pivotal role as an outsourced QA engineer for Accenture Philippines
- Executed manual, regression, and end-to-end testing of the patient management system application
- Collaborated with senior testers to analyze functional requirements, formulate test scenarios, and create test cases
- Delegated a task by the test lead to write a brief how-to document on how a specific feature works

EDUCATION

BS in Electronics Engineering

Iloilo Science and Technology University

📍 La Paz, Iloilo City, Philippines
